22 November 2022

Dear Parent/Guardian,

I am writing to offer your child the chance to take part in Scooture Scooter training on **Thursday 1st December**. There will be space for 30 pupils to take part.

Scooture is a playground based scooter training session mainly for pupils in Year 2 who may already use their scooters to get to school or pupils that would like to in the future. It is intended to not only improve safety but also to validate the scooter as a suitable method to travel to school in the eyes of the school community and local residents.

If you would like your child to participate, use the following link to complete the online consent form:

<https://www.bromley.gov.uk/ScootureTrainingRequest>

Please note that spaces will be issued on a first come first served basis, there will be 30 spaces available. The deadline for applying is **Thursday 24th November at 9am**. A list of participants will be sent to the school after this time and you will be informed by your school if your child has a place.

Please note that **each child participating should have a suitable helmet and their own scooter**. Sharing of equipment is not permitted. Please also ensure that pupils are dressed appropriately for the training, including sensible footwear as directed by your school.

Kind regards,
