Dear Parents/Carers,

Science and Relationships, Sex and Health Education

Over the next half term, Year 3 children will be receiving a programme of work as part of the curricular requirements of Science and Relationships, Sex and Health Education (RSE). This will help them understand and cope with changes that will take place as they move through childhood to adulthood.

During this unit of work, we will be talking to the children about the human lifecycle, emotional and physical changes and how puberty is linked to reproduction. Here is a web link if you would like to find out more. <https://www.coramlifeeducation.org.uk/scarf>

Please do not hesitate to approach us regarding any queries you may have.

Yours sincerely,

Mrs Ringham, Mrs Lee and Mrs Carroll
Year 3 Class Teachers
